- **POLISHED STYLING AND ULTIMATE FUNCTION:** In addition to the large top opening, the Navigator features a discreet side panel door to access the bottom compartment without taking your bag off your back. Inside the compartment is a removable, slide-out camera insert with padded dividers.
- **MULTIPURPOSE camera bag backpack :** Multiple pockets, straps, zippers and compartments all over make the Navigator a breeze to use. Holds laptops up to 17".
- **COMFORTABLE,** cushioned airflow padding photography backpack : Back and Shoulder Straps have 'air cell' foam padding for added comfort, breathability and to help keep straps in place.
- **DSLR BACKPACK WITH MAGNETIC CLOSURES:** If you forget to zip or buckle, the magnets on the easy access panel and top flap quickly close to cover the open compartments.
